

# Spiders And Snakes

[Loretta Lynn](#)

I remember when Loretta Lynn said you want to walk me home again  
And I said mhm yes I do  
And she said well I don't want to go right home  
And I'm the kind that don't want to be alone if you would I would too  
Ha ha and so we took a stroll and wound down by a swimmin' hole  
And she said do what you wanna do I don't care  
Mhm I got silly and I found me a frog in the water by a holler log  
And I said Loretta this frog's for you  
I don't like spiders and snakes and that ain't what it takes  
To love me like I want you to  
I don't like spiders and snakes and that ain't what it takes to love me  
Like I want to be loved by you

[Steel]

Well I think of that girl from time to time and I phone up when I got me dime  
And I say hello baby ain't you cool  
Ha ha she said do you remember when and you like to get together again  
If you do hey I see I'm just cool  
Ha ha well I am shy and so for awhile most of my lovin' was tough and smile  
Till she said come on over here I don't care  
Mhm mhm I would never say you might guess  
Still lookin' for somethin' but a sneak out of dress  
And she said... ha ha ha  
Yeah I don't like spiders and snakes...
