

True

Brandy

In your arms I feel right at home
That's the feeling I ain't felt before
If you're feeling the same way then let me know
'Cause there's nothing worse than being in love alone
Is it true that I'm not the only one?
Is it true that you're just having fun with my heart?
I need an answer
Is it true? Is it true? You're my angel that was sent to earth
In your eyes I see my future
I can't be without you, so it's got to work
Goodbye's not an option so don't say a word
Is it true that I'm not the only one?
Is it true that you're just having fun with my heart?
I need an answer
Is it true? Is it true? I've never been a victim of love before
So I'm not sure what I should be looking for
But I know the signs are in my face
Hope it's not too late to change
Your mind and make you wanna stay
Is it true that I'm not the only one?
Is it true that you're just having fun with my heart?
I need an answer
Is it true? Is it true? Is it true that I'm not the only one?
Is it true that you're just having fun with my heart?
I need an answer
Tell me is it true? Is it true? If you just can't tell me the truth
It wasn't real when you said I love you
