Talk-talk-talk to me Red Velvet - Talk To Me English Translation

Na na na -
Talk-talk to me
Talk-talk-talk to me
Na na na -
Talk-talk to me
Talk-talk-talk to me
Every breath I take, there's a warm scent
I can't believe this new world
A pink warmth wraps around me
I can't take my eyes off this amazing fantasy
Ooh boy ooh boy, these moments
Ooh boy ooh boy, I hope it's not a dream
Why are you smiling?
I wanna know you more
I waited, waited, waited
For your whisper, baby
Brightly come to me
Talk to me Talk to me
Like a ray of sunlight
Lightly, lightly
Na na na, in your eyes
There are secrets I wanna know
Warmly come to me
Talk to me Talk to me
Like our own dream, sweetly, sweetly
Na na na, hidden in your embrace
Is a love story
Talk to me
Talk to me yeah
Talk-talk to me
Talk-talk-talk to me
Talk to me Boy
Tell me everything Na na na
Carefully, I stepped out
Where am I?
Filled with curiosity like a child
I'm just staring at you
So that I won't get lost in these unfamiliar feelings
Slowly, one by one
Will you teach me?
A soft light knocks on my heart
I don't wanna miss a thing
I waited, waited, waited
For this heart fluttering feeling

Come on baby now
Brightly come to me
Talk to me Talk to me
Like a ray of sunlight
Lightly, lightly
Na na na, in your eyes
There are secrets I wanna know
Warmly come to me
Talk to me Talk to me
Like our own dream, sweetly, sweetly
Na na na, hidden in your embrace
Is a love story
Talk to me

Hurry and come to me
Talk to me Talk to me
Like the day you woke me up
Closer, closer
Na na na, in your eyes
There are secrets I wanna know
Softly come to me
Talk to me Talk to me
Like clear dew
Wetly, wetly
Na na na, hidden in your embrace
Is a love story
