

# Bad Kid

## Foxx Bodies

I've been a bad kid.  
My mom tells me I'm wrong but then she knows it.  
I've been a bad kid.  
I wanna tell you you're wrong but I don't know shit.

I need to take a shower.  
I'm gonna go for a run.  
Give me a half an hour  
I'll be fucked up when I'm done.  
Made me a bad kid.  
Told me it was my fault.  
And love is bullshit.  
No, your love is bullshit.

Now I'm a bad kid.  
My minds a swampland, I've learned to sit with it  
Make me a bad kid.  
I wish you'd told me, I would have fixed it.

My minds a swampland.  
I wish you told me.  
Your love is bullshit  
You are a piece of shit.
