

Dear Jamie... Sincerely Me

Hellogoodbye

Dear Jamie I've got a letter I would like to send
It's lacking strings of words with punctuation at the end.
Should I trust this dial act?
To convey the right effect? Dear Jamie I've got some things I'd like to set in pen
I would have used a pencil but that's just not permanent.
Should I trust my printer's ink?
To express the things I think? Everything I've tried my best to think of something to contest
With inside jokes and all the folks could have much more to say Dear Jamie this envelope have the resent my
heart
I'll seal it, send it off and wish it luck with its depart.
This stamp will be every action and carry my affection
Across the air and land easy
Should I trust the poster's due?
To deliver my heart to you? Everything I've tried my best to think of something to contest
With inside jokes and all the folks could have much more to say
Everything I've tried my best to think of something to contest
With inside jokes and all the folks could have much more to say Give it up I can
Flower and a hand
I hope this helps you see
Signed Sincerely me
