

No Woman No Cry

Urban Love/Bossa N' Marley/Bossa N' Marley

No woman no cry

No woman no cry

No woman no cry

No woman no cry

Cause I remember when we used to sit

In a government yard in trenchtown

Observing the hypocrites

Mingle with the good people we meet

Good friends we have, now

Good friends we have lost

Along the way

In this great future,

You can't forget your past

So dry your tears, I say

No woman no cry

No woman no cry

Oh little darling, don't shed no tears

No woman no cry

Cause I remember when we used to sit

In the government yard in trenchtown

When Georgie would make the fire lights

I say, log would burnin' through the nights

Then we would cook cornmeal porridge

Of which I'll share with you

My feet is my only carriage

So I've got to push on thru,

And while I'm gone

Everything 's gonna be alright

Everything 's gonna be alright

Everything 's gonna be alright now

Everything 's gonna be alright

Everything 's gonna be alright now

Everything 's gonna be alright

No woman no cry

No woman no cry

No woman no cry

No woman no cry

No woman no cry

Oh little darlin' don't shed no tears
No woman no cry
Oh little darlin' don't shed no tears
No woman no cry
Said I re, said I re, Said I remember
No woman no cry
You and I and you and I and you and I
No woman no cry
Cause I remember when we used to sit there
No woman no cry
In a government yard
No woman no cry
No woman no cry
No woman no cry, yeah
No woman no cry
No woman no cry (you sweet darling)
No woman no cry
No woman no cry, yeah
No woman no cry
No woman no cry, yeah
No woman no cry
No woman no cry
