

My Cinderella

Lil' Romeo

And if I ever fall in love again
I will be sure that the lady is a friend
And if I ever fall in love, so true
I will be sure that the lady's just like you, oh
Look this young Romey lookin' for a homey
A little Juliet, when [Incomprehensible] she'll console me
When I'm all lonely, knows how to hold me
A little tight shawty, know what I mean?
Little attitude but not controlling
With them pink Nike's and them Passion jeans
I need a girl sweet as a dove
First time in my life, I see I need love
No, no limit, mommy no gimmicks
Maybach Benz, mommy jump in it
You remind me of my diamonds
Always shinin', a flawless girl
I'm a young Bill Gates, get all this girl
In my G-4 we could tour the world
Before I'm 24, I'ma rule the world
And you could be my queen, yo that's for real, okay
And if I ever fall in love again
I will be sure that the lady is a friend
And if I ever fall in love, so true
I will be sure that the lady's just like you, oh
Okay, I want my shawty to be like you
Sweet and sassy, someone to write to
Yes, it's quite true, I kinda like you
You say we just friends but not tonight boo
Let's pretend you my Cinderella
Have you home by twelve or respect the fellas
Keep you together in my butter soft leather
Night is young, we could do whatever
I know you see me on the TV shows
Videos, big screen but I'm just Romeo
A real cool dude, you should get to know
On a different plateau like whoa
Buyin' out what's love like fat Joe
Mommy, I know but I'm willin' to grow
To the mountain top if you willin' to go

Don't be scared, Romey take you there, come on
And if I ever fall in love again
I will be sure that the lady is a friend
And if I ever fall in love, so true
I will be sure that the lady's just like you, oh
Look, if I ever fall in love, it's all, the none
No reason for the kid to go and start frontin'
Lookin' for a girl who can press my button
Get me on the cell to do a li'l somethin'
Can I ball? You know it ma
Playa standin' tall, I'm growin' up
It's a no, no limit, ya'll can't flow with us
On my way to school, I got my own bus
And I can't leave home without my chain
Got girls all over screamin' out my name
I'm like Tracy Mc. Grady and Yao Ming
I might switch up my team but I'm still in the game
MVP, so I'm earnin' that
Searchin' for a chick who sweep to put his slipper on her feet
Until then, I'm gon' run the street
Keep spinnin' these rhymes, Nick, bring the beat
And if I ever fall in love again
I will be sure that the lady is a friend
And if I ever fall in love, so true
I will be sure that the lady's just like you, oh
