Wandering Star

Matt Hurter

Please, could you stay a while to share my grief?
For it's such a lovely day
To have to always feel this way
And the time that I will suffer less
Is when I never have to wake
Wandering stars
For whom it is reserved
The blackness of darkness, forever
Wandering stars
For whom it is preserved
The blackness of darkness, forever
Those who have seen the needles eye now tread
Like a husk from which all that was now has fled
And the masks that the monsters wear
To feed upon their prey
Wandering stars

For whom it is reserved
The blackness of darkness, forever
Wandering stars
For whom it is preserved
The blackness of darkness, forever
Doubled up inside
Take a while to shed my grief
Always doubled up inside
Taunted, cruel
Wandering stars
For whom it is reserved
The blackness of darkness, forever
Wandering stars
For whom it is preserved
The blackness of darkness, forever
