

What the Price

Migos

Tell me the price
Tell me the price
Tell me the price
Tell me the price
No surprise What's the price?
Prices, prices, going up
Prices, prices (price)
The big bag, I slide
Prices, prices, going up
Hold on, yeah
Prices, prices (price)
What's the price?
What's the price?
Prices going up, prices
Hold on
(price, going up yeah)
The big bag, I slide
(sker sker, sker sker, going up)
Hold on
(Woo woo woo, price) Bad Mona Lisa
Slide with my people
Pink slip for the ride, but what's in the trunk, it's illegal
Came from dimes, no cosigns
You can read between the lines
Like a pro skater did my own grinds Tell me what the preacher preach about (preacher)
Tell what the teacher teach about (teacher)
I'ma go find me a better route
That bullshit and cap you can leave it out (cap)
They talking but ain't tryna hear me out
Won't open the door, tryna leave me out (open)
I'ma pull up and just empty out (brrr)
Come through, just make sure you clear me out (brrr) Ooh
Clear me out, clear me out
Just clear me out
Clear me out What's the price?
Prices, prices, going up
Prices, prices (price)
The big bag, I slide
Prices, prices, going up

Hold on, yeah
 Prices, prices (price)
 What's the price?
 What's the price?
 Prices going up, prices
 Hold on
 (price, going up yeah)
 The big bag, I slide
 (sker sker, sker sker, going up)
 Hold on (shit goin' up, you know what I mean)
 (Woo woo, price)
 Offset! I do not care what the tag will say (I don't)
 I done brought out a big bag today (bag)
 I just pulled up with the MAC today (brrr)
 I don't plan on going out sad today (brrr)
 Pay what you owe, eighty a show (eighty)
 Close the curtain and smoke in the Ghost (gas)
 Hop in the iron and lift up the door (skrrt)
 Young rich nigga, more money than I owe (hey)
 Got your hoe at the condo, no clothes, yeah
 Climb on a young nigga pole, yeah
 You don't wanna go there (nah)
 Sticks and the dracos in here (brrr)
 Got racks in the back of my pants (racks)
 Got racks in the bachelor pad (racks)
 These bitches they fuck for a bag (smash)
 And you niggas gon' go out sadBad Mona Lisa (bad)
 Slide with my people (skerr skerr)
 Pink slip for the ride (skerr skerr)
 But what's in the trunk, it's illegal
 Came from dimes (dimes), no cosigns (cosigns)
 You can read between the lines
 Like a pro skater, did my own grinds, yeah (grinds)What's the price?
 What's the price?
 Prices going up, prices
 Hold on
 (price, going up yeah)
 The big bag, I slide
 (sker sker, sker sker, going up)
