Crazy

Riddlin' Kids

Well I almost blew it
I'm glad I saw right through it
Her other half was out of town, I kind of knew it all along
And after what she told me.
"I just want you to hold me"
Well, my girlfriend doesn't care whether you're lonely or not.

The look in your eyes when you're starin' at me I can't think of anything that's the same.
The temptation's strong but I can't be weak or I'll screw up everything.
Everything.

Lets just tear each other's worlds aside.
You take yours and I'll take mine, cause we'll never get to see.

Don't tell me that you're crazy.
I don't think this time we'll ever get to see.
I don't care what you're saying.
I don't care now.
We'll never get to see.

Don't tell me that you're crazy.
I don't think this time we'll ever get to see.
I don't care what you're saying.
I don't care now.
We'll never get to see.

And after what you told me.."I just want you to hold me."
I don't trust a single word and I never ever will.
And now I've figured out why the look is still in your eye.
All I know is you're bad news so just stay away from me.

Lets just tear each other's worlds aside.
You take yours and I'll take mine, cause we'll never get to see.

Don't tell me that you're crazy.
I don't think this time we'll ever get to see.
I don't care what you're saying.
I don't care now.
We'll never get to see.

Don't tell me that you're crazy
Don't tell me that you're crazy
Don't tell me that you're crazy
Don't tell me that you're crazy

Don't tell me that you're crazy
I don't think this time we'll ever get to see
I don't care what you're saying
I don't care now.
We'll never get to see.
