

# It's Like That

## Run Dmc

Unemployment at a record high  
People coming, people going, people born to die  
Don't ask me because I don't know why  
But it's like that and that's the way it is  
People in the world try to make ends meet  
You try to ride car, train, bus or feet  
I said, "You got to work hard to want to compete  
It's like that and that's the way it is, huh"  
Money is the key to end all your woes  
Your ups, your downs, your highs and your lows  
Won't you tell me last time that love bought you clothes?  
It's like that and that's the way it is  
Bills flies higher every day  
We receive much lower pay  
I'd rather stay young, go out and play  
It's like that and that's the way it is, huh  
War's going on across the sea  
Street soldiers killing the elderly  
What ever happened to unity?  
It's like that and that's the way it is  
Disillusion is the word  
That's used by me when I'm not heard  
I just go through life with my glasses blurred  
It's like that and that's the way it is, huh  
You can see a lot in this life span  
Like a bum eating out of a garbage can  
You notice one time he was your man  
It's like that and that's the way it is  
You should've gone to school, you could've learned a trade  
But you laid in the bed where the bums have laid  
Now all the time you're crying that you're underpaid  
It's like that and that's the way it is, huh  
One thing I know is that life is short  
So listen up homeboy, give this a thought  
The next time someone's teaching why don't you get taught?  
It's like that and that's the way it is  
If you really think about it times aren't that bad  
The one that stretches for success will make you glad  
Stop playing, start praying, you won't be sad

It's like that and that's the way it is, huh  
When you feel you fail, sometimes it hurts  
For a meaning in life is why you search  
Take the boys on the train, drive to school on the church  
It's like that and that's the way it is  
Here's another point in life, you should not miss  
Do not be a fool who's prejudice  
Because we're all written down on the same list  
It's like that and that's the way it is, huh  
You know it's like that and that's the way it is  
Because it's like that and that's the way it is  
You know it's like that and that's the way it is  
Because it's like that and that's the way it is  
You know it's like that and that's the way it is  
Because it's like that and that's the way it is  
You know it's like that and that's the way it is  
Because it's like that and that's the way it is
