

# Push The Fader

## Girls Against Boys

Push the fader, I'm tired.  
Push the fader, I'm weak.  
It's the only way to be.  
Breathe it in, drink it in.  
Ya got ten more minutes.  
So push the fader, get it right,  
'Cause you still owe me.  
You still owe me.  
'Cause it can get so faded.  
Like it's fading from me.  
Push the fader.  
Ya can't lose me.  
Bass the nation on fire.  
It's the only way to see.  
Ya got nine more minutes,  
So push the fader,  
'Cause ya still owe me.  
Bass the nation.  
Fade on and on,  
'Cause ya still owe me.
