

# Out of Sight

## Tangarine

I've been living with myself  
There were four walls around me  
I've been waiting way to long  
But there was no one to hold me  
But the open road has shown me that this lonely way was meant to be  
unknown  
But days are left at the road behind  
They've all gone by and out of sight  
Complaints have passed from time to time  
They've all gone by and out of sight  
I've been hiding from the world  
There was something about me  
They've been looking at my fears  
But there was nowhere to go to  
And no one seemed to understand this empty path was only meant for me  
But days are left at the road behind  
They've all gone by and out of sight  
Complaints have passed from time to time  
They've all gone by and out of sight
