

Sweet Surrender - DJ TiÃ«sto Mix

Sarah McLachlan

It doesn't mean much
It doesn't mean anything at all
The life I've left behind me
Is a cold room
I've crossed the last line
From where I can't return
Where every step I took in faith
Betrayed me
And led me from my home

You take me in
No questions asked
You strip away the ugliness
That surrounds me
Are you an angel
Am I already that gone
I only hope
That I won't disappoint you
When I'm down here
On my knees

And I don't understand
I miss the little things
I miss everything (about you)

Sweet surrender
Is all that I have to give

I would be the one to fall

Sweet surrender [Repeat: x 4]
