

Follow Me Down

3OH!3 Feat. Neon Hitch

Take me, take me outta here, it makes me
Feel so, feel so na, na, na-na, na
Baby, baby, here we all are crazy
You don't have to worry na, na, na-na, na So follow me down out of this town
Girl, you're moving way too slow
So follow me down, I'll show you around
There's a place we gotta go Follow me, follow me
Fa-la-la-la-la
Follow me, follow me
Fa-la-la-la-la Fa-la-la-la-la Dancing, walking, clock keeps on talking
They sing, they sing na, na, na-na, na
Gentlemen and ladies, animals and babies
We sing, we sing na, na, na-na, na So follow me down out of this town
Girl, you're moving way too slow
So follow me down, I'll show you around
There's a place we gotta go Follow me, follow me
Fa-la-la-la-la
Follow me, follow me
Fa-la-la-la-la Fa-la-la-la-la Follow me, follow me
Fa-la-la-la-la
Follow me, follow me
Fa-la-la-la-la Fa-la-la-la-la Down, down, down, down, down
Oh, okay
Down, down, down, down, down
Oh, okay Follow me, follow me
Fa-la-la-la-la
Follow me, follow me
Fa-la-la-la-la Fa-la-la-la-la Follow me, follow me
Fa-la-la-la-la
Follow me, follow me
Fa-la-la-la-la Fa-la-la-la-la
