The Exorcist

Randy

When I was younger me and my friends saw the Exorcist.
Thomas got so scared he couldn't sleep for days,
He wouldn't listen to me when I told him its not for real,
I told him it's make believeAnd that there is no heaven or hell
Even if dio sings about it so well. So well.Even though no gods exists and I'm an atheist
The Exorcist got me so scared, got me so scared.Some years went by then came "The heretic" Exorcist 2,
Starring Linda Blair and Max Von Sydow too.
It had none of the mood or the tension,
It was not a worthy continuation,A category be
And a big disappointment for me. Oh me!Even though no gods exists and I'm an atheist
The exorcist got me so scared, got me so scared
Since then I've seen a thousand films
None with same tension and not to mention credibility.In 1990 came Exorcist 3,
Based on the novel legion by William Peter Blatty.
It was not as bad as I thought it would be,
Not as good as the book but it was still worth to see.Even though no gods exists and I'm an atheist
The exorcist got me so scared, got me so scared
Since then I've seen a thousand films
None with same tension and not to mention credibility.
