

Wino

Tears for Fears

could you be wrong
could you be wrong
to choke on the smoke and the drunkenness
drowning in sorrow with each breath you're a wino
a cigarette smoker
you have a good time
they call you a joker, don't they
wino
you're a cigarette smoker
you have a good time
they call you a joker, don't they
don't they could you be wrong
could you be wrong
you're happy dying you don't wanna change
remove your fix and you feel your pain you're a wino
a cigarette smoker
you have a good time
they call you a joker, don't they
wino
you're a cigarette smoker
you have a good time
they call you a joker, don't they
don't they
