It's Beginning To Look A Lot Like Christmas

Johnny Mathis

It's beginning to look a lot like Christmas
Everywhere you go
Take a look in the five and ten glistening once again
With candy canes and silver lanes aglowIt's beginning to look a lot like Christmas
Toys in every store
But the prettiest sight to see is the holly that will be
On your own front doorA pair of hopalong boots and a pistol that shoots
Is the wish of Barney and Ben
Dolls that will talk and will go for a walk
Is the hope of Janice and Jen
And Mom and Dad can hardly wait for school to start againIt's beginning to look a lot like Christmas
Everywhere you go
There's a tree in the Grand Hotel, one in the park as well
The sturdy kind that doesn't mind the snowIt's beginning to look a lot like Christmas
Soon the bells will start
And the thing that will make them ring is the carol that you sing
Right within your heart
