

All I Ask For

Puddle of Mudd

Walters vanished, got no one
Lived in fear on the run
Do no right, do no wrong
Drink all day until I'm gone, yeah At last I know how you felt
When I leave when I go
Lay alone by yourself
What you thought was all wrong Do you know what to feel
What you thought was all wrong
Lay alone by yourself
[Unverified] Have we lost it?
Have we lost it just because?
Have we lost it?
Have we lost it just because? Walters vanished, got no one
Lived in fear on the run
Do no right, do no wrong
Drink all day until I'm gone And all I ask for
Nothing, nothing
Well, all I ask for
Nothing, nothing Well, all I ask for
Nothing, nothing
Well all I ask for
Nothing Lay alone by yourself in your bed
With all your thoughts inside your head
Lay alone by yourself inside your bed
With all your thoughts inside your head All I ask for
Nothing, nothing
All I ask for
Nothing, nothing Lay alone by yourself inside your bed
With all your thoughts inside your head
Lay alone by yourself inside your bed
With all your thoughts inside your head Well, all I ask for
Nothing, nothing
Well all I ask for
Nothing, nothing, yeah All I ask for
Nothing, nothing
All I ask for
Nothing Just because All I ask for nothing
Just because Just because
Just because

Just because
