Don't Say It's Over

White Lion

Don't say it's over
You say goodbye
'Cause you can't take no more
I guess I've seen you cry
A thousand times before
And if you want to break it up
Just go ahead
But tell me why?
You're running out the door
And baby if you go
There's one thing you should know
That all our love must die
Before you say goodbye
Don't say it's over
Don't say it's over
'Cause when you run away
There ain't no comin' back
I've always tried
To keep you satisfied
And I've never lied
Or tried to cheat on you
But it don't matter
What I've done for you
'Cause you don't know
Just what you wanna do
We can't go on this way
Livin' day by day
I don't know what to do

I guess it's up to you
Don't say it's over
Don't say it's over
'Cause when you run away
There ain't no comin' back
Don't say it's over
Don't say it's over
'Cause when you run away
There ain't no comin' back
You told me

You'd never leave me behind
You sold out
You gave up the love that we'd found
Don't say it's over
Don't say it's over
'Cause when you run away
There ain't no comin' back
Don't say it's over
Don't say it's over
'Cause when you run away
There ain't no comin' back
You say that you're leaving us
Well, don't say it's over
'Cause there ain't no comin'
There ain't no comin'
There ain't no comin' back
Don't say it's over
