Tiff's Back

Tiffany

Tiff's back
Tiff's backDidn't mean to stay away this long
But now I'm back and I'm groovin' strong
It's time to move, can't wait no more
I really got to do it, so get to itDidn't want to move too fast
Now I got to make it last, oh yeahTiff's back
Tiff's back
Yes, I am nowMy dancin' feet, my dancin' shoes
We're ready to go, you'll never lose
Don't be so shy, just get on track
Let me tell you now Tiff's backDidn't want to move too slow
I had to keep on the goTiff's back
Tiff's back
Yes, I am nowTiff's back
Tiff's back
Tiff's backHey, Tiff you're all the way live
Get it girl, get it girl, do that jive
And the next time when you're on the mic receiver
Think about me, the girl you'd make a co-believerTiff's back
Tiff's back
Tiff's back
Tiff's backI'm back and I'm groovin' real strong
I hope you come along
I'm back and I'm coming to your town
I hope you'll be around
