Mister Love

Toadies

Are you gonna save me? Can you save me?
Are you gonna save me? Can you save me?
Ya gonna make me happy? Ya gonna make me smile?
Can you save me? Tell me, mister love
Are you gonna save me? Ya gonna make me happy?
Can you save me? Tell me, mister, mister
We gonna show you a thing or two about love

Be patient, be patient, love, love, love, love, love
Ha ha ha ha ha ha ha, yeah, yeah
Are you gonna save me? Can you save me?
Are you gonna save me? Can you save me?
Are you gonna save me? Ya gonna make me happy?
Can you save me? Tell me, mister love
