

# Mister Love

## Toadies

Are you gonna save me? Can you save me?  
Are you gonna save me? Can you save me?  
Ya gonna make me happy? Ya gonna make me smile?  
Can you save me? Tell me, mister love  
Are you gonna save me? Ya gonna make me happy?  
Can you save me? Tell me, mister, mister  
We gonna show you a thing or two about love

Be patient, be patient, love, love, love, love, love  
Ha ha ha ha ha ha ha, yeah, yeah  
Are you gonna save me? Can you save me?  
Are you gonna save me? Can you save me?  
Are you gonna save me? Ya gonna make me happy?  
Can you save me? Tell me, mister love
