

# The Top

## The Cure

I don't care  
If only I could say that  
And not feel so sick and scared  
And I don't care  
If only I could say that  
If only my eyes would close Jesus brilliant  
You used to laugh  
Walking these gorgeous blocks  
This top is the place  
Where nobody goes  
You just imagine  
You just imagine it all Every day I lie here  
And know that it's true  
All I really want is you  
Please come back  
Please come back  
Like all the other ones do Jesus brilliant  
You used to laugh  
Walking these gorgeous blocks  
This top is the place  
Where nobody goes  
You just imagine  
You just imagine it all
