

One Night Stand

Lil Jon & The East Side Boyz

(Oobie:)

I'm sliding me on top of you
Doing things that lovers do
But I don't belong to you
Whats a girl suppose to do
I only need one night with you
To make all our dreams come true
You could never be my man,
You can be my one night stand

(Oobie/Chorus)

Boy I know you got a girl
And you know I got a man
So lets both respect the game
And have a one night stand
Everybody wanna know
But they wouldn't understand
So lets keep it on the low
And have a one night stand Well it's about a quarter to three

No ones lookin',

Its just you and me

You know I'm down for whatever

And I aim to please

But its only for this one night

Boy I hope you came well prepared

Cause I want you to know that

I ain't never scared

You just got to RSVP

And I'll be there

But its only for this one night(Chorus)

Boy I know you got a girl

And you know I got a man

So lets both respect the game

And have a one night stand

Everybody wanna know

But they wouldn't understand

So lets keep it on the low

And have a one night stand(Lil Jon:)
