

# Miss Magnolia (Full Band Version)

[Matt Costa](#)

Well Miss Magnolia you just can't keep  
Keep me to yourself  
You know I been here way too long  
You had me working all day long  
No, I'm not cut out & I won't be found  
And make a man for you[Chorus]  
No no,  
Lala na na[x11]Well, if you see her make sure you tell  
Tell her that I'm gone  
To find the land beyond  
Where I'll be free  
The river bold in me  
A rolling stone  
But by and by I'll find my home[Chorus]  
Ah hah,  
Lala na na[x6]I wrote a letter in the mail it said,  
"The steed don't need a mare  
Dearest Magnolia  
Well put flowers on the grave  
& make the headstone read  
We could get along  
But we never did belong" Well miss magnolia you just can't keep  
Keep me to yourself  
You know I've been here way too long  
You had me working all day  
No, I'm not cut out and I won't be found  
And make a man for you[Chorus]  
No no,  
Lala na na[x11]
