Blackened Heart

Combichrist

Energy, animals, we're all death
Penetrate, real life, perfection, death
Feed it, element, solution, none
Innocence, poison, anything goesI know this blackened heart
I know it tears you apartViolence, lessons, beauty of life
Punishment, afterlife, colony of fools
Discipline, misery, carnival of life
Formula, clarity, legacy of deathI know this blackened heart
I know it tears you apart
I know this blackened heart
I know it tears you apart
