We Must

Verse

Advisory - the following lyrics contain explicit language:

Leaving all that we've been taught wrong behind
Smashing ignorance and uncovering
All that lies within ourselves
WE MUST! WE MUST! WE MUST CHANGE OUR WAYS!
I give a fuck about the world
So why the fuck don't you?
WE MUST! WE MUST! WE MUST CHANGE OUR WAYS!
I give a fuck about the world
So why the fuck don't you?
Leaving all that we been taught wrong behind
Smashing ignorance and uncovering
All that lies within ourselves
Let the sun bring a new day and open up our eyes
Begin to put back what we have taken away
WE MUST! WE MUST! WE MUST CHANGE OUR WAYS!
I give a fuck about the world
So why the fuck don't you?
WE MUST! WE MUST! WE MUST CHANGE OUR WAYS!
I give a fuck about the world
So why the fuck don't you?
OUR NUMBERS MIGHT BE DOWN
But they still fucking count
Why do we spend OUR LIVES GIVING UP?
WE MUST CHANGE... WE MUST CHANGE
We must change...
Why do we spend our lives GIVING UP?
