

# No Hook

JAY-Z

(Movie)

the most important thing in business is honesty, integrity, hard work, family never forgetting where we came from

(Jay-Z)

poor me, dad was gone, finally got my dad back  
liver bad he wouldnt live long, they snatched my dad back  
guidence i never had that, streets was my second home  
welcomed me with open arms provided a place to crash at  
a place to study math at, matter fact i learned it all  
burnt it all this music is where i bury the ashes at  
flash back not having much, not having that  
had to get some hollabread you can holla back at  
holla that my jewish lawyer do enjoy the fruit of within my cash stack  
just in case a nigga got to use his rat-ta-ta-ta-tat  
own boss own yacht, masters, slave  
the mentality i carry with me to this very day  
f\*\*k rich lets get wealthy who else gon' feed we  
if i need it imma get it however God help me  
(And i dont need no hook for this shit!)im so for sure it's no facade  
stay out of trouble, momma said as momma sighed  
her fear her youngest son being victim of homicide  
but i got to get you out of here momma or imma---die  
inside---and either way you lose me momma so let loose of me  
i got the reign our direction'll soon change  
to live and die in N.Y. in the hustle game  
hustle 'caine, hustle clothes, or hustle musicbut hustle hard in any hustle that you pick  
skinny nigga toothpick but, but i do lift  
weight like im using 'roids rolls royce  
keep my movements smooth while maneuvering  
through all the manure in the sewers that i grew up in  
choi-ces we make trying to escape(And i dont need no hook for this shit!)  
this is not for commercial usage  
please dont categorize this is music  
please dont compare me to other rappers  
compare me to trappers im more Frank Lucas than Ludacris  
and Luda's my dude i ain't trying to diss  
like Frank Lucas is cool but i aint trying to snitch  
imma follow the rules no matter how much time imma get  
imma live and die with the decisions that imma pick

so f\*\*k the haven for cave in, thats why we dont speak  
made men aint supposed to make statements  
end of the story i followed the code cracked the safe  
other niggas aint in the game so they practice hate  
leave that boy Hov alone why dont ya  
you dont have to if you dont want to but dont say i didnt warn yaoh (And i dont need no hook for this shit!)
