

Bomb Disneyland

Fat White Family

Every kid's no good and
let them hang themselves
Leave them where they are,
Stacked neatly on the shelvesAll your kids are deaf mutes
All your kids are deaf kids
Not blind/mineAll your kids are deaf mutes
All your kids are deaf kids
Not blind/mineBomb Disneyland x 4
Dirty Bomb Legoland x 4
Dirty BombSee your combine
And the bad boy's family
Learn everything off every job
On every street in everyoneAll your kids are dead kids
All your kids are dead kids
Not mineAll your kids are naked
All your kids are naked
Not mineBomb Disneyland x 4
Dirty Bomb Legoland x 4
Dirty Bomb
