Starfire

Advisory - the following lyrics contain explicit language:

So many faces cold and warm
Stranded in this world
So little time, there's no rewind
Must be strong and carry onAs the light of the moon catches me
I live, I live
As the stars shimmer bright for me
I live, I liveI am the footprint in the sand
I am the wind that sweeps the land
I am the eyeglass of a blinded man
In the heat of desire
I'm a starfire
Fallen down from the skySo many choices, where will they lead us?
Don't know where to go
Pray for the children, for they are future
Teach them how to playAs the light of the moon catches me
I live, I live
As the stars shimmer bright for me
I live, I liveI am the footprint in the sand
I am the wind that sweeps the land
I am the eyeglass of a blinded man
In the heat of desire
I'm a starfire
Fallen down from the skyAs the light of the moon catches me
I live, I live
As the stars shimmer bright for me
I live, I liveI am the footprint in the sand
I am the wind that sweeps the land
I am the eyeglass of a blinded man
In the heat of desire
I'm a starfire
Fallen down from the skyI am the sunshine and the rain
I am the hurt, I am the pain

I am the soldier without a nameSo many voices
So little time, there's no rewinding
I am the sunshine and the rain
I am the hurt, I am the pain
