

I Ran (So Far Away) (A Flock Of Seagulls)

Hidden in Plain View

I walked along the avenue
I never thought I'd meet a girl like you
Meet a girl like you With auburn hair and tawny eyes
The kind of eyes that hypnotize me through
Hypnotize me through And I ran, I ran so far away
I just ran, I ran all night and day
I couldn't get away A cloud appears above your head
A beam of light comes shining down on you
Shining down on you The cloud is moving nearer still
Aurora Borealis comes in view
Alis comes in view And I ran, I ran so far away
I just ran, I ran all night and day Reached out a hand to touch your face
You're slowly disappearing from my view
Disappearing from my view Reached out a hand to try again
I'm floating in a beam of light with you
A beam of light with you And I ran, I ran so far away
I just ran, I ran all night and day And I ran, I ran so far away
I just ran, I ran all night and day
