

# Be Still

## Travis Greene

We wait on You  
Everybody's moving  
Everyone is going somewhere  
With everything they're trying  
Just to make it  
To a place where I am not there But when the noise is over  
A still small voice you will hear  
I hope that you believe me  
When I tell ya  
That I'll handle all of your cares  
Just wait on me Be still and know, that I am God  
Be still and know, that I am God  
Just trust and know, that I am God  
And I'm in control, I am still; God  
Oh, oh-oh-oh  
Oh, oh-oh-oh Chasing your ambitions  
Try your best to be the next star  
But if it's the attention, that you really want  
Then I already know who you are  
And I love you that way-ay-ayy But when the noise is over  
A still small voice you will hear  
To get to where I'm calling you  
Calling you, calling you  
Just give me your faith and be still  
Wait on me Be still and know, that I am God  
Be still and know, that I am God  
Just trust and know, that I am God  
Oh I'm in control, I am still; God  
Ooh-oh, oh-oh  
Ooh-oh, oh-oh  
I am your God (ooh-oh, oh-oh)  
Just wait on me, wait on me (ooh-oh, oh-oh) I will be still, for You are with me  
I will be still, for You are with me  
I will be still, for You are with me  
I will be still, I will be still!...  
I will be still, You are with me  
I will be still, You are with me  
I will be still, You are with me  
I will be still, I will be still!

I will be still, for You are with me  
I will be still, for You are with me  
I will be still, for You are with me  
I will be still, I will be still!...  
I will be (I will be still)  
I won't move (I will be still)  
I won't move (I will be still)  
I won't move (I will be still)Be still and know, that I am God  
Be still and know, that I am God  
Just trust and know, that I am God  
I'm in control, I am still...  
In control (in control, I am still)  
In control...  
I am still; God (in control, I am still; God)(Ooh-oh, oh-oo)  
I'm still God  
(Ooh-oh, oh-oo)  
For I'm still God  
(Ooh-oh, oh-oo)  
I'm still God, I am still God  
(Ooh-oh, oh-oo)Wait on You  
I would not be moved  
Teach me how to wait on You  
Oh-oo
