

How You Get the Girl

[Ryan Adams](#)

Stand there like a ghost
Shaking from the rain
She'll open up the door
And say, are you insane Say it's been a long six months
And you were too afraid to tell her what you want And that's how it works
It's how you get the girl And that's how it works
It's how you get the girl And say I want you for worse or for better
I would wait for ever and ever
Broke your heart, I'll put it back together
I would wait for ever and ever And that's how it works
It's how you get the girl, girl, oh Remind her how it used to be
With pictures in frames of kisses on cheeks
Tell her how you must've lost your mind
When you left her all alone and never told her why And that's how it works
That's how you lost the girl I want you for worse or for better
I would wait for ever and ever
Broke your heart, I'll put it back together
I would wait for ever and ever And that's how it works
It's how you get the girl
And that's how it works
It's how you get the girl You could know, oh
That I don't want let you go You could know, oh
That I don't want let you go Remind me how it used to be
Pictures in frames of kisses on cheeks
And you say, you say, you want me
And you say, you say, you want me
