

# Get Out of Town

**Roberta Gambarini**

The farce was ended  
The curtain drawn  
And I at least pretended  
That love was dead and gone But now from nowhere  
You come to me as before  
To take my heart  
And break my heart once more Get out of town  
Before it's too late, my love  
Get out of town  
Be good to me, please Why wish me harm?  
Why not retire to a farm?  
And be contented to charm  
The birds off the trees Just disappear  
I care for you much too much  
And when you're near  
Close to me dear, we touch too much The thrill when we meet  
Is so bittersweet that  
Darling, it's getting me down  
On your mark, get set, get out of town Just disappear  
I care for you much too much  
And when you're near  
Close to me dear, we touch too much The thrill when we meet  
Is so bittersweet that  
Darling it's getting me down  
On your mark, get set, get out of town On your mark, get set, get out of town  
Get out of town  
Get out of town  
Get out of town
