

# let me fall

## Stoney Clove Lane

It's October again  
Leaves are comin' down  
One more year's come and gone  
And nothing's changed at all  
Wasn't I supposed to be someone  
Who can face the things that I've been runnin' from Let me feel  
I don't care if I break down  
Let me fall  
Even if I hit the ground  
And if I  
Cry a little  
Die a little  
At least I know I lived  
Just a little I become much too good  
At being invincible  
I'm an expert  
At play at safe and keep it cool  
But I swear  
This isn't who I meant to be  
I refuse to let my life  
Roll all over me Let me feel  
I don't care if I break down  
Let me fall  
Even if I hit the ground  
And if I  
Cry a little  
Die a little  
At least I know I lived  
Just a little I wanna be somebody  
I, I wanna be somebody  
I wanna be somebody  
I, I wanna be Somebody  
Who can face the things that I've been Runnin' from Let me feel  
I don't care if I break down  
Let me fall  
Even if I hit the ground  
And if I  
Cry a little  
Die a little

At least I know I lived...It's October again

Leaves are comin' down

One more year's come and gone

And nothing's changed at all...
