

# Hey Grandma

## Moby Grape

Hey, grandma, you're so young  
Your old man's just a boy  
Been a long time this time  
(Pow, pow, pow)  
Been a long time this time  
(Pow, pow, pow)  
Been a long time this time 'round, this time 'round  
Everything is upside down, upside down  
Sure looking good  
You're looking so good  
You're sure looking good  
SF freak scene was on my mind  
Fillmore Slim is just a wasting time  
Well, I got high this time  
(Pow, pow, pow)  
Well, I got high this time  
(Pow, pow, pow)  
Well, I got high this time 'round, this time 'round  
Everything is upside down, upside down  
'Cause your looking good  
You're looking so good  
You're sure looking good  
Robitussin make me feel so fine  
Robitussin and Elderberry wine  
Hey, grandma  
Hey, grandma  
Hey, grandma
