Trust (feat. Rae Morris)

Kungs

Show them all we won't be cornered

We will not be terrifiedShow them all we don't take orders

We just want a good nightWe'll come

What can we do to win this

We are against the lionsI don't want to

Live and wonder

So we gotta

Send them (order/under?)Don't wanna wake up In the (same?) bed againTry to escape them

They'll make it hardWe need more trust.=====Show them all we won't be cornered.

We will not be terrified. Show them all we dont take orders.

We just want a good night.We came.

What did we do to win this?

We were against the lions.Now we're gonna, live in splendour

Our (?????) will remember.Don't wanna wake up

In the (same?) bed againTry to escape them

They'll make it hardWe need more trust.We need more trust.If you can hit me right now,
