Bismillahir Rahman nir Raheem  
o Flag Bearer of Karbala  
o Remover of distress from Hussain [a.s.]  
Remove my distress by your brother Hussain [a.s.] (2)  
o Flag Bearer of Karbala  
o Fulfiller of our prayers  
You are the door of our wishes  
o Flag Bearer of Karbala [CHORUS]  
o Fulfiller of our prayers [CHORUS]  
You are the door to our wishes [2] [CHORUS]

1] Why are you worried  
Why are you scared  
Do you not know of his promise  
To rid you from all your troubles  
Keeping you safe from worlds trials  
Abbas [a.s.] you will come to my help , this is my faith , what I have felt  
o Flag Bearer of Karbala  
o Fulfiller of our prayer  
You are the door to our wishes[2]

2] You are the pure guide in distress  
Through you our hopes we can address  
Holding onto your Holy Shrine  
We do not sense the passing of time  
Abbas [a.s] we call you with our cries  
standing beneath Karbala skies  
CHORUS

3]Umul Baneen [s.a.] your pure mother  
Raised you to serve your Holy Master

Abbas[a.s.] I will face my Zahra [s.a.]  
Protect Hussain [a.s.] in Karbala  
CHORUS

4] You were as strong as Ali[a.s.] your father  
Always stood by Hussain[a.s.] ,your brother  
When the tenth day rose in the land

Watched the children fall to the ground  
Abbas[a.s.] how must it have been  
Your patience after all you had seen  
CHORUS

o thirst o thirst children would cry waiting like this, they would just die  
Abbas[a.s.] go and get them water  
This was the wish of Hussain's [a.s.] young daughter

The enemies would watch and shiver  
With Hussain's[a.s.]flag and a water flask
