

Hip Hop Rules

Boogie Down Productions

Come again down man
This is KRS-One on to wreck ruff ruff ruff stuff
So we're gonna do it like this now
Put up your hands if you love hip-hop music like I do, seen?
And we gonna do it like this now
Listen to the lyrics! BoMe say hip-hop rule, hip-hop rule
And these other industries out here cannot take it, come again
Hip-hop rule, hip-hop rule
And these other industries out here cannot take it, we want
Rap music, we want the rap music, bo
Rap music, we want the rap music, come again
Rap music, we want the rap music, bo
Rap music, we want the rap musicWay back in the days, 1979
Fatback Band made a record usin rhyme
In the same year come the Sugarhill Gang
With the pow pow boogie, and the big bang bang
RandB, Disco, Pop Country Jazz
All thought Hip-Hop, was just a little fad
But here comes Grandmaster Flash nonstop
And right after Flash, Run-D.M.C. dropped
Now, they had to pay attention to the scale
Where other music failed, hip-hop prevailed
See rap music has gone platinum from the start
So now in eighty-nine we gettin present as an art
Me ask, is it because, we've got the eighty-nine vision?
Whoa whoa whoa
Or is it because, it's a unanimous decision
Hey hey hey heyThat hip-hop rule, hip-hop rule
And these other industries out here cannot take it, come again
Hip-hop rule, hip-hop rule
And these other industries out here cannot take it, we want
Rap music, we want the rap music, bo
Rap music, we want the rap music, come again
Rap music, we want the rap music, come down
Rap music, we want the rap musicI pick up the mic and put down crazy lyrics
