## You're Kind

## **Paul Simon**

You're kind, you're so kind You rescued me when I was blind And you put me on your pillow When I was on the wall You're kind, so kind, so kindAnd you're good, you're so good You introduced me to your neighborhood Seems like I ain't never had so many friends before That's because you're good, you're so goodWhy you don't treat me like the other humans do? It's just mystery to me It gets me agitated when I think that You're gonna love me now, indefinitelySo goodbye, goodbye I'm gonna leave you now And here's the reason why I like to sleep with the window open And you keep the window closed So goodbye, goodbye, goodbye goodbye I'm gonna leave you now And here's the reason why I like to sleep with the window open And you keep the window closed
