

Goodbye (feat. Lyse) - Wolfskind Remix

Feder

Is someone listening?Okay
Let me tell you the story of that guyFirst he loved
Then he promised
He was losing controlCrazy night
Internet sexNow living
My own life
Are you out of my mind
Wasting too much time
And I leave you from behindAnd you're unaware
Are you thinking of me, when you fuck her?
Does she know that you're supposed to love me?
To the day
Almost
Kill meNow living
My own life
Are you out of my mind
Wasting too much time
And I leave you from behindNow living
My own lifeAre you out of my mind
Wasting too much time
And I leave you from behind
Living
My own life
You're out of my mind
Wasting too much time
And I leave you from behind
