Radioactive Toy

Porcupine Tree

Run through forests
On a hot Summer day
Trying to break down
Walls of numbing pain
Give me the freedom to destroy
Give me radioactive toy
Taste the water
From a stream of running death
Eat the apple
And cough a dying breath
Give me the freedom to destroy
Give me radioactive toy
Feel the sun
Burning through your black skin
Pour me into a hole
Inform my next of kin
Give me the freedom to destroy
Give me radioactive toy
Run through graveyards
On a dusty winter day
Spit the dirt out
And try to say
Give me the freedom to destroy
Give me radioactive toy
