

# Diseased

Deanna Brown

Leave your mark under my skin  
Oh, my, how strong you are  
Then feast your eyes on my disdain  
And hope this one won't scar I will never belong to you again  
I will never belong to you Push if you still need my pain  
'Cause I will never tell  
And scream if you still hate my name  
'Cause I'll be where I fell Come sit close to me  
(Let me feel your neck)  
Come sit close to me  
(Hands around my neck) Come sit close to me  
(Let me feel your neck)  
Come sit close to me  
Close to me, yeah I will never belong to you again  
I will never belong to you If I decide that I am alive  
Than I'm diseased and ungrateful  
And if I confide that I am a liar  
Than I'm diseased, it's so Push it in 'til it breaks  
If I bleed, I'll be okay If I decide that I am alive  
Than I'm diseased and ungrateful  
If I confide that I am a liar  
Than I'm diseased and ungrateful If I decide that I am alive  
Than I'm diseased and ungrateful  
If I confide that I am a liar  
Than I'm diseased So sit close to me  
So sit close to me, yeah  
Come sit close to me  
Come sit close to me
