

The Wreck (Demo)

Delta Spirit

Too much talk bout myself
Drags me straight down to hell
Finally hearing from you
Pulls me back off the rail You don't expect apologies
You always see the best in me
I'm the lucky fool that you married It always starts out as friends
You always had my respect
They all warned you bout me
Don't give your heart to a wreck You don't expect apologies
You always see the best in me
I'm the lucky fool that you married
