

# Consuming Fire

Tim Hughes

1, 2, 3, 4, 5, 6

Set this place on fire, send your spirit, Savior  
Rescue from the mire, show Your servant favor

Yesterday was the day that I was alone  
Now I'm in the presence of Almighty God  
And yes our God, He is a consuming fire  
And the flames burn down deep in my soul  
Yes our God, He is a consuming fire  
He reaches inside and He melts down this  
Cold heart of stone

Set this place on the fire, send Your spirit, Saviour  
Rescue from the mire, show Your servant favor

Yesterday was the day that I was alone  
Now I'm in the presence of Almighty God  
Yes our God, He is a consuming fire  
And the flames burn down deep in my soul  
Yes our God, He is a consuming fire  
He reaches inside and He melts down this  
Cold heart of stone

Did you realize that inside of you there's a flame?  
And did you ever try to let it burn? Let it burn, let it burn

Yes our God, He is a consuming fire  
And the flames burn down deep in my soul  
Yes our God, our God, He is a consuming fire  
And the flames burn down deep in my soul  
Yes our God, He is a consuming fire  
He reaches inside and He melts down this  
Cold heart of stone

God, He is a fire  
Yes our God, He is a fire
