Moonglow And Theme From "Picnic"

Perry Como

On a picnic morning
Without a warning
I looked at you
And somehow I knewIt must have been moonglow
Way up in the blue
It must have been moonglow
That led me straight to youI still hear you sayin'
Dear, heart hold me fast
And I start in prayin'
Oh Lord, please let this lastWe seem to float
Right through the air
Heavenly songs seem to
Come from everywhereAn' now when there's moonglow
Way up in the blue
I always remember
That moonglow gave me youYou and I in the sunshine
We strolled the fields and far
Heavenly songs seemed to
Come from everywhereAnd now when there's Moonglow
Way up in the blue
I always remember
That moonglow gave me youThat moonglow gave me you
That moonglow gave me you
