

Create in Me

CfaN Worship Uk

Create in me a pure heart oh God
Make my spirit right again
Broken-ness I bring to You oh God
With a contrite heart Turn your face from my sin oh God
Wash me whiter than the snow
Holiness I find in You oh God
Breathe new life in me Let mercy rain down
Your love overflow
Wisdom and truth grow in me
Let gladness rise up
As forgiveness pours in
I will sing of Your goodness to me
Your goodness to me Open my heart to sing Your praise oh God
Joy and gladness rise again
Righteousness because of You oh God
Accepted in Your sight
