

# Cut Me Down

## Frankmusik

Is this how it is  
Were fighting like kids again,  
Oh darlin  
Is this what we are  
We scream until its too far again yeah  
I cant believe  
Youre loving me  
With a dagger in your hand  
And I cant believe  
I cant be free  
When this aint what I planned  
Planned  
Baby girl I stick you up  
But you just cut me down  
Cut me down  
Cut me down  
Cut me down  
(Bad boy)  
And girl how I tried to stick you up  
But you just cut me down  
Cut me down  
Cut me down  
You feel what you want  
Except the pain thats surrounding me  
Oh darling  
You take what you want  
My soul aint nothing to you its free yeah  
And I wont survive  
Im not alive  
When youre standing in my way  
And I wont survive  
Im empty inside  
Im crushed till I cant stay  
Stay  
Baby girl I stick you up  
But you just cut me down  
Cut me down  
Cut me down  
Cut me down

(Bad boy)  
And girl how I tried to stick you up  
But you just cut me down  
Cut me down  
Cut me down  
You got me wishing I can never turn round  
I look behind me and Im leaving your town  
Let me go go  
Let me let me go  
Let me go go  
Let me let me go  
Baby girl I stick you up  
But you just cut me down  
Cut me down  
Cut me down  
Cut me down  
And girl how I tried to stick you up  
But you just cut me down  
Cut me down  
Cut me down
