

# New Orleans

## Dr. John

In the South Land there's a city  
Way down on the river  
Where the women are very pretty  
And all the men deliver

They got music  
It's always playin'  
Start in the day time, go all through the night

When you hear that music playin'  
Hear what I'm saying, it make you feel alright

Grab somebody, come on down  
Bring your paintbrush, we're paintin' the town  
Honey, there's some sweetness goin' 'round  
Catch it down in New Orleans

We got magic, good and bad  
Make you happy or make you real sad  
Get everything you want, lose what you had  
Down here in New Orleans

Hey partner, don't be shy  
Come on down here and give us a try  
You wanna do some livin' before you die  
Do it down in New Orleans

Stately homes and mansions  
Of the Sugar Barons and the Cotton Kings  
Rich people, poor people, all got dreams  
Dreams do come true in New Orleans
